

Create a Strong Learning Culture with Innovative, Mobile-Ready Content

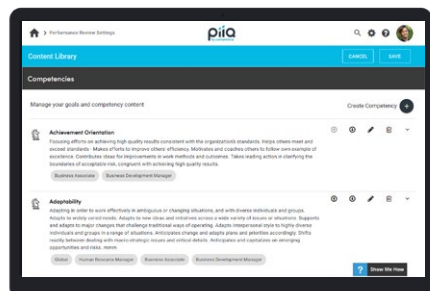

Modern Content to Inspire a Learning Culture

PiiQ by Cornerstone goes beyond making performance reviews quick and easy. PiiQ Learning allows you to not only uncover skills gaps, but also deliver and launch training courses to develop critical skills and build your leadership pipeline.

Pre-built, Industry Leading Competency Templates

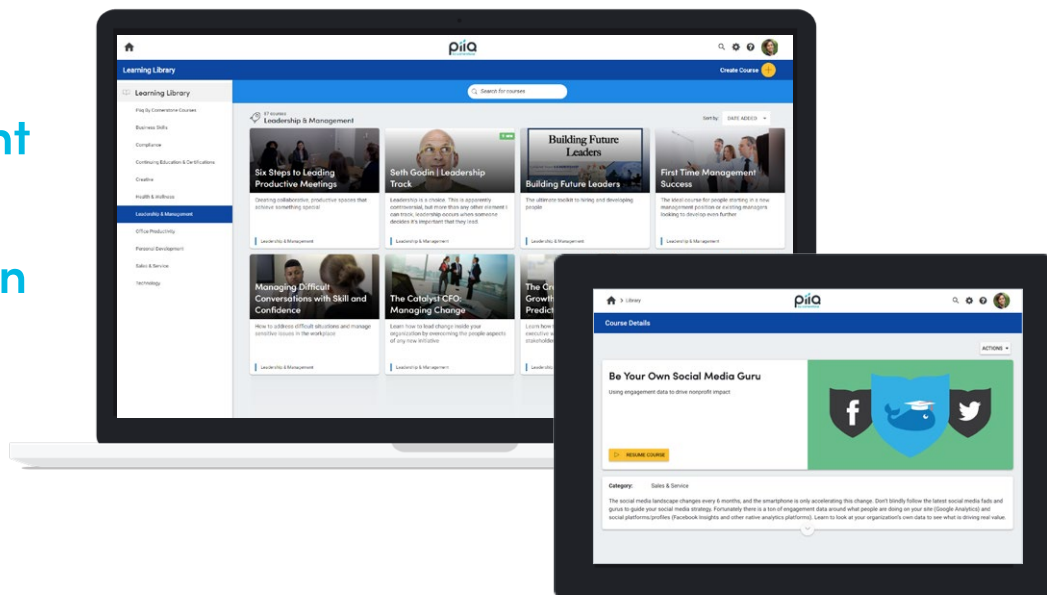

Performance reviews are only as effective as the goals and competencies you are measuring against. PiiQ takes the hard work out of goal setting with our pre-built, robust competency templates. Our templates reflect industry best practices – the competencies are provided by **HRSB**, a world leader in the field of competency-based talent management, along with Cornerstone’s experience in the small to mid-sized business space. The templates include a set of pre-defined role profiles that modified to fit your company’s needs and can be deployed in seconds.

Develop the Potential of Your Employees with Learning, Available Anytime, Anywhere

Inspiring Content to Engage, Develop & Retain your Employees

Best-In-Class Training Content from Top-Tier Partners

Cornerstone has partnered with top content providers to equip you with best-in-class training content to address common business challenges for SMBs. With our rich content library, you can spark innovation and foster a culture of continuous learning across the organization.

We offer additional learning bundles for purchase from worldwide leaders in training and development, **Skillsoft*** and **Cegos**. We also offer courses through **Cornerstone's premier content provider, CyberU**, a curated bundle of the best learning content all in one, consolidated library. Our content bundles comprise courses that address the most relevant business topics, including:

- Performance Mgmt. & Coaching
- Change Management
- Leadership Essentials
- Communication Skills
- Innovation & Creativity
- Compliance & Workplace Ethics
- Customer Service Skills
- Microsoft Skills
