

Talent management that grows with your business

Who are we?

Cornerstone OnDemand is a world leader in talent management solutions. Our cloud-based software is helping companies recruit, train, manage, and empower their people. Cornerstone has more than 18 years of experience and clients across the world, ranging from the largest, most established companies to thousands of small and medium businesses.

Our software impacts every aspect of the employee experience, helping people to make their best work even better – which ultimately translates into greater business results.

Established Market Leader

Cornerstone's solutions have been given the top accolades from all the top industry research firms. According to Fosway, Cornerstone is as a "strategic leader" in talent management. Our solutions have the flexibility and innovation to meet both the highly-complex needs of national, large-scale customers or the quick-startup and easy to use needs of small to medium businesses.
